

JULY 2017.....It's nearing convention time again!

The **Kansas Division ARRL Convention** will be held in Salina, Ks, August 20th, sponsored by the **Central Kansas Amateur Radio Club, Inc (CKARC)**.

We will again have a "before Convention" dinner this year on Saturday evening, August 19th. A number had indicated they enjoyed the gathering we had and would like to repeat it this year.

This is NOT a **CKARC** sponsored function, but they are aware of it.

There will be several people in town Saturday evening - as well some of the 'local' folks, so...I will need an **RSVP** by August 15 if you are interested in attending the dinner this year!

Please respond via phone, Email, US Mail, (addresses below) or.....

The venue again this year will be **Martinelli's**
158 South Santa Fe Ave, Salina.

Dinner will start at 6:30PM CDT, plan to arrive around 6:15 PM or so but not a lot earlier. Feel free to spread the word - the more the merrier!
I will need to have a total 'head count' prior to the event, YL's, XYL's, harmonics, friends/family ARE welcome! Please include **all** in your party.

MARTINELLIS is a 'formal restaurant, not a 'fast food place' - they do have Adult beverages available. We will order off the menu.

Please, make reservation so I can inform the restaurant the number of tables and chairs to have set up for us and wait staff assigned.

I have the evening reserved in my name. They can seat up to 50-60 or more.

This year we will have an after dinner program by **Rod Blocksom, KØDAS**, on his most recent venture with Nautico's Corporation and DX-pedition. It should be interesting.

I probably will NOT acknowledge email reservations, if they do not bounce, I got it!
